Dear Friends and family of Ingrid Mostert,

As directors of the Ingrid Mostert Foundation, we are most grateful for the incredible generosity of so many of you who have given financial support with regular and once-off donations to the Ingrid Mostert Foundation to help Ingrid on her journey towards healing and recovery from the accident that happened in October 2020. The funds donated have allowed the Foundation to support Ingrid and her family by contributing to the cost of carers, medical aid payments and for costs incurred by the family while Ingrid was in Gqeberha for expert treatment at the beginning of 2023.

It has been hugely encouraging to see the amazing progress that Ingrid has made over the past 18 months, which would not have been possible without this support. The Mostert family has asked for us to express their heartfelt appreciation and gratitude for your incredible generosity, especially to the small group of donors who continue to contribute on a monthly basis.

The monthly expenses of caring for Ingrid, including the cost of medical aid, carers and daily needs amounts to about R32 000 per month. Although these costs are expected to decrease as Ingrid continues to recover, we are not, as the Ingrid Mostert Foundation, able to completely cover these costs, due to the small base of regular donors.

We therefore ask that, if you are in the position to do so, you consider making a small regular donation to the Ingrid Mostert Foundation, to enable us to broaden our funding base and sustainably support Ingrid and her family with her continued recovery. The Ingrid Mostert Foundation is a registered Non-Profit Company (NPC) that has applied for Tax Exemption Status from SARS, but does not qualify as a Public Benefit Organisation (PBO), and we are therefore not able to provide Tax Certificates. However, we use the vast majority of the funds received (apart from the book-keeping and auditing costs) to directly benefit Ingrid and our financial statements are compiled by a chartered accountant each year and available for perusal.

If you would like to make a regular contribution, we would be most grateful if you could indicate this via email to karllerox@gmail.com, so that we are able to plan payments to the Mostert Family. And please put your name and surname in the payment notification of regular or once-off donations, so we are able to acknowledge your generosity (unless you would like to remain anonymous).

Contributions can be made to the **Ingrid Mostert Foundation's** Capitec Business Account:

Account number: 1050 866 649 **Branch Code:** 470010

With appreciation and warm greetings!
